9471

Capabilities: The VTF provides preventive medical care (vaccinations, deworming, examinations, etc.), sick call appointments, elective surgical procedures and limited emergency care during clinic hours. It has limited x-ray and in-house laboratory capability. It does not have hospitalization capability.

Access: Call for an appointment. Waiting time for vaccinations and sick calls is less than 7 working days. Waiting time for surgeries – approximately 2-3 weeks

Referrals: A list of local civilian veterinarians is available at the VTF. Pets requiring specialized services may be referred to U.S. or German veterinary specialists, depending on their specific needs.

Emergency Care: Emergencies may be seen as walk-ins when the veterinarian is available, but calling first is recommended. Pets requiring care beyond the capabilities of the VTF or after duty hours will be referred. A list of local veterinarians is provided below and is also available at the VTF.
